### Spring Forward!

Daylight Savings Time is on Sunday, March 11, at 2:00am.

Don't forget to set your clocks forward Saturday night or you will be late for your Sunday morning activities! Daylight Savings Time also serves as a great reminder to change the batteries and test smoke detectors.

### Over the Limit?

During the spring thaw, the Village places weight limits on the roadways to protect against damage. The warming temperatures lead to soft conditions which put the structural strength and base of roads at risk.

All interior roadways are subject to the three (3) ton weight limit until approximately April 15.

You will see additional changes in the coming months as North Shore Finest Auto Detailing joins Oscar's Motorcars at the site.

### Rain Garden Sale

There is a wide selection of Rain Garden Plants being offered for up to 50% off retail cost! All items must be pre-ordered by April 6, 2018. Plants will be available for pick-up on June 2 at MMSD's headquarters.
